POOL FILL CREDIT REQUEST

The Town of Spring Lake Water Department allows a credit once per calendar year for a swimming pool that is fully emptied and re-filled. The sewer portion of your bill will be adjusted for the amount of water consumed beyond your monthly average consumption. Once the completed request is received via mail, fax, email, or in person as listed above, the Department will calculate an adjustment based on the usage. Your account requesting the credit must be current to receive any credit.
