YOU MUST CALL TO SCHEDULE AN INSPECTION AT THE PROPER STAGE (S) OF WORK. CALL THE INSPECTIONS DEPARTMENT AT (910) 985-7265 TO SCHEDULE AN INSPECTION. This permit becomes null and void if authorized work is not commenced within six (6) months from the date of issue, or if construction is suspended or abandoned for a period of one (1) year, any time after work is commenced.

- All tank work shall comply with all local, state, and federal laws and N.F.P.A. and A.P.I. standard practices.
- Notify the Fire Marshal's Office before installation, removal, or in-place abandonment of tank(s).
- For removal in place, all liquids shall be removed from the tank(s) and disposed of properly.
- A representative from the Fire Marshall's office shall be on-site at the time of installation or removal of the tank(s). Please schedule a time with the Inspector.

**The undersigned hereby makes an application for permit and inspection of the work described, and agrees to comply with all applicable laws regulating the work performed.**
